Covid-19 Lockdown

As many of you are aware, the provincial government legislated a lockdown effective 12:01 A.M on Dec.26th. This impacts the church in that we are no longer able to host in-person worship during this period. We will continue to live stream our worship services on our YouTube channel, Sunday morning's at 10 A.M., however, there will only be a skeleton staff present. Please check our website for regular updates. We are hoping and praying that this will not last long; remember, the church is Christ's light in the community, and we need to do our part. Please continue to pray for those in long-term care facilities who are suffering greatly during this pandemic.

Mitten Tree

In partnership with the Salvation Army, we are collecting mittens, gloves, hats and scarves to help local children keep warm this winter. Please place your items under the Christmas tree in the sanctuary here at QFMC. Thank you!

FMC Sri Lanka Appeal

We have received a request from Vinola, the FMCiC's Missions Administrator at the Ministry Center, to pray how we could bless the FMC in Sri Lanka with a gift to help support the pastors there during the Covid-19 pandemic. We are asking you to prayerfully consider helping us reach \$1,000 by year end to gift the FMC in Sri Lanka. To date, we have received \$450; thank you for your generous support. If you wish to give to this appeal and haven't done so as of yet, you can drop off your donation through the mail slot at the church on or before Dec. 31st. Thank you again for your continued generous support of this ongoing relationship we have with the Free Methodist church in Sri Lanka.
