Stay at Home Order

Friends, these are most certainly unprecedented times affecting the church and each one of individually, and they are not easy for any of us. The government has asked each one of us to do our part to stem the increase of cases of Covid-19 and have ordered us to stay home, keep safe, and save lives, only venturing out for groceries, medical appointments and fresh air.

They have encouraged those who are able to work from home to do so, and so we are doing our part out of agape love for one another and for our neighbors. We hope and pray that you will continue to pray for the Board and for your church family as we navigate these difficult times, that we will walk in step with the Spirit in accordance with God's will. Friends, be kind. Show the light and love of Christ. And stay safe. With God's help, we will get through this storm and we will be stronger for it.

What to Do With Your Offering

I hope you are all well and staying home and safe during this period we're in. I have had a couple of requests for clarification regarding your offering during the stay at home order which I passed on to Peter. His response is below:

"People can either hang on to them until the stay-at-home order is rescinded, drop them off at the church through the mail slot (as we all did at the beginning of the pandemic) or mail them to me.

Peter"

I hope this helps you in knowing how to continue your support of QFMC during the season we're in.
