Sri Lanka Pastor Support

Today, a fellowship of 23 congregations in Sri Lanka are overseen by local leadership with encouragement from a group of 12 partnered Canadian churches of which Queensway is one.

Ministry leaders in this challenging country value ongoing Canadian participation in the development of new Pastors and church plants. Committed and caring pastoral families are attending to the spiritual, emotional and physical needs of this deeply wounded country. FM churches are planted amongst the most challenged socio-economic groups, attending to persons of all ethnic backgrounds. Pastoral training, development and encouragement are the most significant needs.

Your Board is committed to continue our support of our brothers and sisters in Christ in Sri Lanka and have set a goal for 2024 of \$2,000 to help support the Free Methodist Pastors and their families who suffer greatly to share the Gospel. To date, thanks to your generosity, we have received \$790 towards our goal; thank you. We cannot begin to comprehend how much this means to these Pastors and how far our gifts will go to help support the Pastors and families.
