## Updates to the Directory:

As we are into a new year, we want to update our directory and are requesting your assistance. Please check the draft directory in the welcome center to make sure your information is correct. As we have some new folks who have joined us, Howard will be taking pictures to add to the directory. Also, given that we are now celebrating birthdays each month, we thought it might be helpful to add your birthday to your listing; we don't need the year, just the month and day would be helpful. Thank you.
